

OVERVIEW OF MEETING FACILITIES

Eagles Nest is utilized as a lounge and after meeting place. It is also ideal for workshops, board retreats, intimate meetings, banquets, and special events. This cozy room has an abundance of natural light, a bar, rock fireplace, piped in music, wall panels with dry erase board, dimmer switches, vaulted ceiling and spectacular lake views from the windows and covered front porch. The ceiling height is 10 feet. The public restrooms and restaurant are nearby.

Tucked into the heart of the main building, this multi-functional room has 88 lineal feet of wall panels for display, service bar, floor data and electric pods. It is adjacent to the Overlook Restaurant, public restrooms and outdoor main patio with fireplace and Adirondack chairs.

LIVE OAK CONFERENCE CENTER 2926 Square Feet

Versatile space for meetings, banquets, weddings and special events. This conference center has multiple capabilities for either one ballroom or three individual soundproof sections of a minimum of 38' X 19'. This facility offers screens in each room, a large screen to accommodate the entire ballroom, 100 lineal feet of upholstered wall panels for display, dry erase boards, dimmer switches, individual room temperature settings, and multiple floor data and electric pods. The covered porch is well suited for fresh air breaks, bar service, receptions and function space.
